Health Costs

Some people automatically get help with NHS charges, free prescriptions, optical vouchers towards the cost of glasses and hospital travel costs because of their age or particular personal circumstances. For instance, children under 16 and adults aged 60 or over are automatically exempt from paying prescription charges. People with certain medical conditions are also exempt from prescription charges providing they have valid exemption certificates.

Some people (along with their partners and dependent children) can qualify for certain health benefits because they receive, or they are included in an award of someone receiving, Income Support, Income-based Jobseeker's Allowance, Income-related Employment and Support Allowance, Pension Credit Guarantee Credit or Universal Credit. Others may qualify for help with some or all of the costs because they are named on a valid NHS Low Income Scheme certificate. To find out more contact the NHS as follows:
