Stroke Support and Services

Introduction

This Fact Sheet gives information about local and national organisations, which provide advice, support and services for adults who have had a stroke and their carers.

The Carers Hub is a focal point to help unpaid carers in Brighton and Hove get the information, advice and support that they need. This may be useful to you in connection with stroke support and services.

Tel: 01273 977000

Email: info@carershub.co.uk

Website: www.carershub.co.uk

Coronavirus

Some of the services covered in this Fact Sheet may be modified at the present time due to the Covid-19 pandemic. Information on support for unpaid carers in this respect can be found at www.brighton-hove.gov.uk/coronavirus-covid-19/support-unpaid-carers

The Carers Hub runs a Carers Group, which meets monthly, for carers who are supporting someone with a life limiting illness. Carers who are looking after someone who has had a stroke are welcome to join this Group. Meetings are held at the Cornerstone Community Centre, Church Road, Hove BN3 2FL. Contact the Hub for more information.

National Organisations

Different Strokes

This charity offers information and support services to stroke survivors and their carers including a telephone information line. Information packs covering Life after Stroke, Work after Stroke and Caring for Somebody After a Stroke (and other topics) can be downloaded free from the website or copies can be posted on request.

Address: 9 Canon Harnett Court, Wolverton Mill, Milton Keynes MK12 5NF

Tel: 0345 130 7172 (Information Line) or 01908 317618

Email: info@differentstrokes.co.uk

Website: www.differentstrokes.co.uk

The Brain and Spine Foundation

This charity provides information and support for people affected by brain and spine conditions including stroke. It has a fact sheet about strokes which can be downloaded from the website. It also has a helpline which can be reached by telephone or email.

Address: 4th Floor, CAN Mezzanine, 7-14 Great Dover Street, London E1 4YR

Tel: 0808 808 1000 (Helpline)

Email: helpline@brainandspine.org.uk

Website: www.brainandspine.org.uk

The Stroke Association

The Association provides information, advice and support services for anyone who has had a stroke or is caring for someone with the condition. The Association publishes a wide range of guides and leaflets which can be downloaded free from the website or ordered to be posted. These include “Stroke - A Carers Guide” and “A Complete Guide to Communication Problems after a Stroke”. The Association runs a helpline which can also be contacted by email – see below. See also “My Stroke Guide” under “Sharing Experiences Online” (page 6).

Address: Stroke Information Service, The Stroke Association, Life After Stroke Centre, Church Lane, Bromsgrove, Worcestershire B61 8RA.

Tel: 0303 3033 100 (Helpline)

Email: helpline@stroke.org.uk

Website: www.stroke.org.uk

Local Support

Aphasia Befriending Service

Aphasia befrienders are people living with communication difficulties following a stroke who offer support to others with similar difficulties. They are trained volunteers. Contact: Kirsty Maguire or Rachel Murphy, Community Neuro Rehabilitation Team.

Address: Sussex Community NHS Foundation Trust, Brighton General Hospital, D3 (Dyke Building), Elm Grove, Brighton BN2 3BW

Tel: 01273 242271

Email: sc-tr.abs@nhs.net

Website: www.sussexcommunity.nhs.uk

Aphasia Speakability Self-Help Group

This is a self-help group for people living with aphasia (communication difficulties after a stroke). Meetings provide support and allow sharing of experiences. They are held monthly. Carers can attend. The group is run by Stroke Association volunteers.

Address: Alcampo, London Road, Brighton, BN1 4JF

Tel: 0750 7400284 (Lynn Vincent)

Email: lynn.vincent@stroke.org.uk

Website: www.stroke.org.uk

(1) Brighton and Hove Stroke Recovery Service

(2) Brighton Moving Forward After Stroke

Both these services are run through the Stroke Association. The Stroke Recovery Service provides practical information, advice and support for stroke survivors, carers and family members. The Moving Forward After Stroke service provides a 12 week programme of exercise and support for stroke survivors designed to improve physical fitness and mobility and explore lifestyle changes.

Tel: 0779 9436041 (Martin Haney)

Email: martin.haney@stroke.org.uk

Website: www.stroke.org.uk/finding-support/support-services

The Sussex Community NHS FoundationTrust

.1 The Community Neuro Rehabilitation Team

This Team provides specialist therapy and support at home to people in Brighton and Hove with neurological conditions, including stroke. The team includes specialist rehabilitation nurses, speech and language therapists, occupational therapists, physiotherapists, dietician, clinical psychologist, social worker and rehabilitation support workers. Referrals are accepted for people who have had an acute stroke within the preceding six months.

Address: Brighton General Hospital, D3 (Dyke Building), Elm Grove, Brighton BN2 3EW

Tel: 01273 242271

Email: sc-tr.cnrtbrightonandhove@nhs.net

Website: www.sussexcommunity.nhs.uk

.2 Speech and Language Therapy for Adults

This service offers specialist therapy for adults with communication or eating and swallowing difficulties due to a neurological or degenerative condition including stroke. Therapists work closely with carers. Health care professionals and individuals can make referrals to this service. A referral form can be downloaded from the website.

Address: Brighton General Hospital, 2nd Floor, Arundel Building, Elm Grove, Brighton BN2 3EW

Tel: 01273 242075

Email: sc-tr.brightonandhoveslt-adults@nhs.net

Website: www.sussexcommunity.nhs.uk/services

.3 Sussex Rehabilitation Centre Out-patient Service

This service provides assessment, treatment and advice to people with neurological impairment including stroke. The objectives are to improve physical wellbeing and

functional status and decrease the care needs of patients. Referrals are received from GPs, hospital consultants and other health professionals in the community.

Address: Brighton General Hospital, Sussex Rehabilitation Centre, Elm Grove, Brighton BN2 3EW

Tel: 01273 242160

Website: www.sussexcommunity.nhs.uk/services

Sharing Experiences Online

Carers UK

The website has an online forum for carers to share experiences and access information and support on any topic.

Website: www.carersuk.org

Headway HealthUnlocked

This is an online community run by Headway providing the opportunity for people affected by brain injury, including through stroke, to seek help and support, share experiences and become better informed.

Website: www.healthunlocked.com/headway

Healthtalk.org

This site includes many people's experiences of stroke on video. It also includes information and advice on support and coping strategies..

Website: www.healthtalk.org

My Stroke Guide

This Guide run by the Stroke Association gives free access to trusted information and advice to people affected by stroke. It includes online forums where people affected by stroke can share stories, experiences and tips about recovery.

Website: www.stroke.org.uk/finding-support/my-stroke-guide

Apps

If you have a tablet or a smart phone there are a number of apps which can help you with daily life and recovery after a stroke.

Mytherapy

This website contains NHS recommended Apps for stroke patients to aid recovery and rehabilitation. They include Apps on acute stages of stroke, physiotherapy, occupational therapy, speech and language therapy, and neurological rehabilitation. Many of the Apps are free.

Website: www.my-therapy.co.uk
